- b) Any other children's play area which is clearly identified by the use of safety surfacing together with the surrounding area within ten metres of the safety surfacing (except for surfaced footpaths)
- c) **Mid-Warwickshire (Oakley Wood) Crematorium**
- d) Leamington Cemetery

- f) Warwick Cemetery
- g) Kenilworth Cemetery

We have received a large number of responses to the consultation process and want to take sufficient time to properly consider these. The timescale for implementation has therefore been reviewed and it has been decided not to implement the Orders from 1st March, as initially proposed. A report will now be prepared for consideration at the **Council's Executive meeting at 6pm on the 8th June 2011**. At that time elected members will make a decision as to what extent the Orders will be implemented.

For dogs' sake
