

The Dog Control Order (see back page) will definitely come into force THIS JUNE unless we ALL do something to stop it.

If we, as dog owners - and **VOTERS** - don't stop this **NOW**, we will have **nowhere** to let our dogs run free, apart from a few select and difficult to access areas.

**Don't let complacency creep in -
We cannot afford to lose this right to walk our dogs freely!**

- If you know **anyone** prominent, any businesses, legal firms, PR companies, radio presenters, or any company who does business with the council - **ANYONE** who can help our fight and plead our case - please, ask them to get involved.
- Ask your vet to put up notices or take some of our postcards for their waiting rooms.
